

# LOWRANCE®

## Elite FS™

## INSTRUCTIONS

**Make sure that the unit is updated with the latest software version!**

**Older software versions may not follow the same instructions.**

**Go to the link below to update the Unit with the latest Software Version**

<https://www.lowrance.com/downloads/>

**BEFORE INSERTING THE E-CARD INTO THE UNIT**

**Power ON the Unit, and accept the warning.**

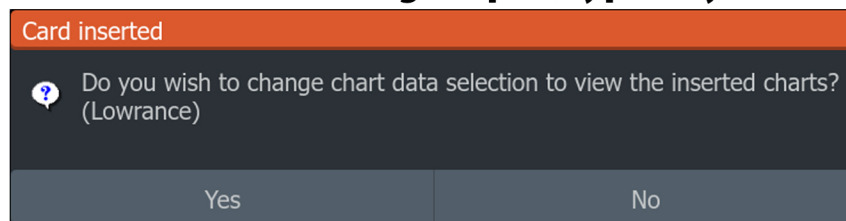

**Press the PAGES Button, and select Chart.**

**Insert the E-Card into the Unit**

**If Unit does not prompt with a "Loading Maps" message at the bottom.**

**Please check out our FAQ about Unit Not Reading E-Card.**

**Once Unit is finished "Loading Maps" (typically 5-15 seconds).**

**Select YES for the Lowrance Chart Source.**

***If the unit does not load this prompt continue with these settings:***

***Select the MENU button in the top right corner of the Unit Screen.***

***Select Options, then change the Chart Source to Lowrance.***

**Once the Chart Source is set to Lowrance**

**Select the MENU button in the top right corner of the Unit Screen.**

**Select Options, then Select Chart Options.**

**Turn the Shaded Relief tab ON (an orange light will appear on the tab).**

**Please see our FAQ about how the Chart Detail effects the E-Card.**

**Any Questions or Support, please call (985) 898 - 0025**
